

# The Difference A Dollar Can Make

Wondering what we can do with a monthly donation of one dollar through Caring Customers?

There are over 260 non-profit organizations in Coweta County! All causes are worthy and doing important work. Partner with Newnan Utilities in supporting the work of non-profits that serve our local community every day. Giving back is a win-win!

Below is a brief list of local non-profits supported by Newnan Utilities. We plan to support these and many other non-profit organizations through our Caring Customers grant program.

**Abby's Angels Foundation:** Provides school supplies and encouragement to students in need. Brings awareness of the dangers of distracted driving. Encourages the "Gift of Life" through organ donation.
