Newnan Utilities In Our Community

At Newnan Utilities, we are dedicated to serving not only our customers but also the wider Newnan community. We demonstrate this commitment by sponsoring the beautiful flower baskets in downtown Newnan, supporting nonprofits through our Caring Customers program, volunteering at events, and providing support to local schools. We take pride in being actively involved in serving our community.

Newnan Utilities Composting Facility & NuSoil

Did you know Newnan Utilities has a state-of-the-art composting site that provides an alternative solution to landfill dumping and the burning of tree waste? As a part of our commitment to the environment, we proudly started this long-term, practical solution of bio-solid reuse in 2007.

At the composting facility, the facility composts bio-solids from Wahoo Creek and Mineral Springs wastewater treatment plants and creates NuSoil. NuSoil is a product useful for landscaping, gardening, agricultural applications, and topsoil remediation. For more information on the composting facility, visit NewnanUtilities.org.

Caring Customers Grants

Habitat for Humanity - \$3,000

Project: Brush with Kindness – This critical home repair program aims to carry out repairs for low-to-moderate income homeowners who would otherwise be unable to afford the repairs necessary to maintain the safety, sanitation, and security of their homes.

nchfh.org

ELEVATE Coweta - \$2,000

Project: Graduation cords – Graduation is a milestone that many ELEVATE students never thought they would achieve. "Cords" are extremely important to all students and are worn as a symbol of accomplishment at graduation. Often ELEVATE students do not have supportive adults in their lives to celebrate their accomplishments. Throughout the year, ELEVATE provides celebration and acknowledgment of success. What a great way to have these students recognized by wearing "cords" in ELEVATE colors while walking across the stage! ElevateCowetaStudents.org

Caring Customers Spotlight: CORRAL

For 35 years, CORRAL has provided therapeutic horseback riding facilities and instruction for the mentally and physically challenged.

Last year CORRAL received a Caring Customers grant to cover the cost of routine care for a program horse for one year. Our horse's name is Sunny. With this grant money, CORRAL can provide daily care and medical costs for Sunny.

We hope you'll register to partner with us for Caring Customers. 100% of the funds collected from the program are donated to local, qualifying nonprofit organizations and all donations are tax deductible. Visit CaringCustomers.org.
